Declaration under Regulation (EU) 2025/40 (PPWR - Regulation on Packaging and Packaging Waste):

- **Hazardous substances and heavy metals (Art. 5(5)):** The sum of the concentrations of lead, cadmium, mercury and hexavalent chromium (Cr VI) in the packaging does not exceed 100 mg/kg, in accordance with the manufacturer's declaration and Directive 94/62/EC.
- **PFAS requirements (Art. 5(5)):** The product is intended exclusively for technical/industrial use and is not used for direct food contact. The manufacturer confirms that PFAS are not intentionally added during the manufacturing process, in accordance with the REACH Regulation (EC) 1907/2006.
- **Recyclability (Art. 5(6) & Design for Recycling):** The film is made from mono-material polyethylene (LLDPE), being 100% recyclable within the standard EU plastic waste collection stream. It complies with standard EN 13430:2004.
- **Energy recovery requirements:** Complies with standard EN 13431:2004.
- **Packaging minimisation (Art. 5(10) & Source Reduction):** Designed for source reduction in accordance with EN 13428:2004 (optimised thickness/down-gauging while maintaining mechanical properties), enabling a reduction in plastic consumption per packaged pallet of up to 30-40%.
- **Recycled content (PCR/PIR):** The product supports the recycled content (PIR/PCR) targets set by European standards, with an optional/PPWR-standard content of 30-35% PCR (post-consumer) for non-food-contact plastic packaging.
- **Bio-based origin / Compostability:** The product is made from petrochemical raw materials, does not contain bio-based materials and is not intended for industrial composting.

This declaration certifies that the information presented above is consistent with the technical documentation made available by the manufacturer (SC Filmir-Prod SRL) and constitutes the basis for the conformity assessment of the packaging. It is also available in electronic format on the company website, at: <https://ezipper.ro/declaratii-conformitate-ambalaje>.

Zipper Services assumes responsibility for issuing this declaration and for retaining the supporting documents demonstrating the product's conformity with the applicable legal requirements.
